Anticipated Cost Estimates

The boat is currently stored at a boat brokerage facility in Newport Beach; the following information has been provided by the facility as to additional costs the successful buyer can anticipate.

Including, but not limited to:

- Engine repair, underbody paint and other items to ensure boat is water ready: est. \$3,500
- Acrylic enclosure repairs, small repair in rear deck and other cosmetic repairs: est. \$4,500

* Also, buyer should anticipate approx. \$2,000 for transportation to a local dock and for costs to set the boat in the water.
